

### Tandhan Group at CII West Bengal Conference 2026

As the **Sustainable Textile Partner**, we were proud to be part of the conversation shaping West Bengal's economic future. From sustainability to entrepreneurship, we are weaving the fabric of a greener tomorrow.

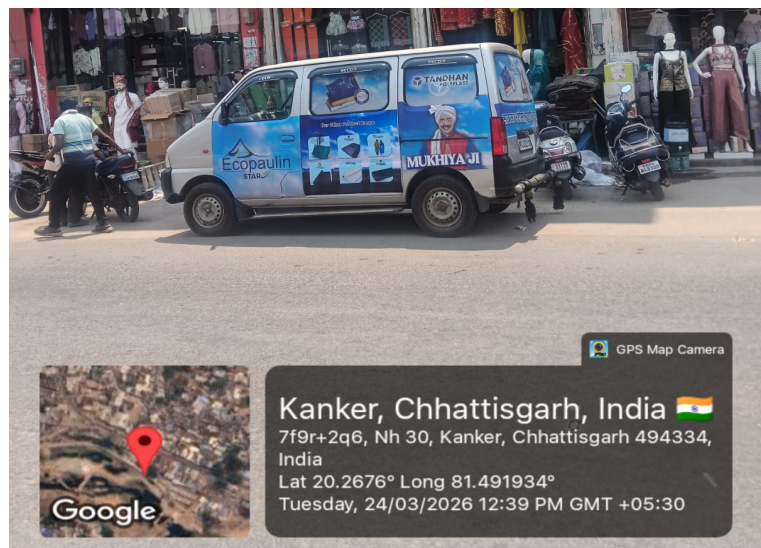

### Tandhan Polyplast Limited – Debut Dealer Meet in Balasore

A successful start in Odisha! With the unwavering support of our distributor and the team, we look forward to a stronger partnership and sustained growth.

### Tandhan Polyplast Strengthens Market Presence with Dual Van Campaigns in Chhattisgarh & the Agra Tudi Belt

Tandhan Polyplast Limited has launched simultaneous van campaigns across Chhattisgarh and the Agra Tudi Belt, covering key markets in Uttar Pradesh and Rajasthan. The initiative, driven by the dedicated on-ground sales team, is designed to enhance channel partner engagement and build pre-season momentum. In the Agra Tudi Belt, the campaign includes live demonstrations of Ecopaulin Star—recognized as the industry's strongest and most durable tarpaulin for Tudi storage and cover applications. These strategic efforts reaffirm the company's commitment to delivering superior quality solutions while strengthening its distribution network and end-user connect across regions.

### First Skill Centre. Free computer training. Grassroots impact.

Tandhan Foundation begins its journey in Bagnan, West Bengal – empowering children from Class III onwards. Led by Director Prachi Jalan Ji. Many more centres to come. Together, we skill. Together, we rise. – Team Tandhan Foundation

### Ranisati Maha Utsav – A Star-Studded Celebration

Tandhan Foundation's Ranisati Maha Utsav witnessed a truly special moment as cricket legend Mr. Sourav Ganguly graced the occasion with his presence. The festival, rooted in faith and community spirit, was elevated by Dada's visit – inspiring everyone gathered. Tandhan Foundation extends its heartfelt gratitude to Mr. Ganguly for being part of this memorable celebration.

**Warm Eid greetings to you and your family—may this occasion bring peace, happiness, and countless blessings.**

Dhaka Power Traders shared the festive spirit by extending heartfelt Eid greetings to all our channel partners across Bangladesh.

### Tandhan DPT Management Concludes Annual Business Plan Visit in Dhaka

The leadership team, led by Shri Anuj Jalan and Smt. Prachi Jalan, visited Dhaka to align strategic priorities with the dedicated team—the true strength behind the growth. The engagement reinforced a shared vision for the year ahead and strengthened partnerships on the ground.

### Tandhan SGPT Delivers 100% Customer Satisfaction in Nigeria.

Demonstrating excellence in the energy sector, Tandhan SGPT has successfully completed three major installations for Mobil filling stations across Nigeria. With a focus on reliability and performance, all projects were executed with 100% customer satisfaction.

### Powering Possibilities at India Trade Expo! – Tandhan SGPT

Demonstrating innovation and reliability in the energy sector, Tandhan SGPT was proud to connect with industry leaders and visitors at India's premier trade platform. Showcasing advanced solar solutions for industrial, commercial, and residential applications, the brand reinforced its commitment to performance, efficiency, and customer confidence.

- **NXT High-Capacity Batteries** – Delivering uninterrupted power and peace of mind
- **Thunder TP Inverters** – Engineered for robust and dependable performance
- **High-Efficiency Solar Panels** – Designed for maximum yield with zero compromise

### Tandhan SGPT Showed Kindness at Central Mosque During Ramadan 2026

This Ramadan, Tandhan SGPT embraced the spirit of giving at Central Mosque—sharing blessings, spreading kindness, and standing with the community. Because true power lies in touching lives.

### Myanmar Milestone: High-Efficiency Hybrid Systems Go Live.

Tandhan STK has completed a complex installation in Yangon, combining a 6kVA HF Smart Connect inverter with a 51.2V 200Ah battery, alongside a 4kW inverter paired with a 25.6V 230Ah battery. This hybrid setup ensures maximum uptime and optimized energy storage, marking a key achievement for our ongoing projects in Myanmar.

### Tandhan Polyplast Limited Makes a Mark at National Hardware Show 2026, Las Vegas

Tandhan Polyplast Limited successfully participated in the NHS 2026 "Concept to Commerce" held at the Las Vegas Convention Centre, Nevada.

This participation underscores Tandhan Group's commitment to global expansion and excellence in product solutions.
