## Strengthening roots in South Bengal: Tandhan Polyplast launches Van campaign to engage with channel partners.

The initiative is designed to highlight the company's comprehensive agricultural portfolio, featuring products such as Shade Nets, Mulching Sheets, Weed Mats, and UV Films. By demonstrating how these solutions enhance farm productivity—extended well beyond traditional tarpaulins and covers—Tandhan Polyplast reaffirms its commitment to Bengal's agricultural development. Supported by the dedicated sales team, the first phase of this brand awareness drive is underway in South Bengal, with the second phase scheduled to commence in North Bengal, ensuring complete market coverage.

### **Tandhan USIL Zambia Delivers Two Key RDA Projects**

Tandhan USIL has commissioned back-to-back solar projects for Zambia's Road Development Agency: a 50 kW/183.6kWh system at the Kafue Weighbridge and a 20kW /61kWh system at the Chongwe offices. Both installations now provide reliable, 24/7 power for critical agency operations, demonstrating Tandhan USIL's capability to deliver mission-critical energy solutions across Zambia's public sector. There are approximately 7 sites across different locations in Zambia for their weighbridge operations.

**20kW with 61kWh battery storage project Successfully commissioned RDA at Chongwe district Zambia**

**50kW solar system with 183.6KWh battery storage system commissioned at RDA weighbridge Kafue Zambia**

### Inaugurating New Horizons, Honoring Our Pillars

Tandhan DPT marked a significant milestone with the inauguration of its new office, graced by our esteemed Chairman, Shri Ashok Jalan. The ceremony was a celebration of loyalty and dedication, as we honored our team members who have been the pillars of our organization for over 5-6 years. Their unwavering consistency and reliability continue to drive our success.
